

FREE TRAINING!

The County of Bucks has partnered with
Bucks County Community College to deliver a new

Metal Fabrication Training Program

Gain new skills to move forward in a high-demand field!

Bucks County companies are looking for workers to fill numerous positions. This 12 week full-time program will give you the necessary entry level skills to enter the Metal Fabrication field!

Requirements for the program:

- Must be a Bucks County resident, and be a U.S. Citizen or possess a Green Card
- Must be 18 years of age with a High School diploma or GED
- Must pass a drug/alcohol screening, background check, and physical test
- Must have reliable transportation to commute to training and a variety of industry field trips

Classes start in July and will be held at the Advanced Manufacturing Training Center in Bristol, Pennsylvania. This is a great opportunity to up-skill or re-tool for your future!

Interested? Call to register for upcoming information sessions in Bristol and Newtown at 215-504-8553 or email cwd@bucks.edu.
